

Check Scanner Services & Support

An end-to-end scanner purchasing, maintenance and fulfillment solution

As a leading provider of remote deposit technologies to banks and businesses, D+H also provides comprehensive services and support for scanner devices. Our scanner services and support program meets a variety of business needs, including:

- Support multiple scanner manufacturers and devices
- Wholesale or direct billing to the end user
- Device purchase or lease
- Fulfillment services, including customization of documentation
- Optional Advanced Exchange replacement program

As a volume buyer of remote deposit scanner hardware, D+H aggressively negotiates pricing from the manufacturers, and we pass the savings on to our clients. We lower our scanner prices in step with the manufacturer's price reduction to us to ensure our clients receive the most competitive pricing available.

FEATURES

Benefits

- Use a single point of contact for both software and scanner support
- Minimize time-to-market and maximize quality of service, by outsourcing hardware management to D+H
- Eliminate the need to develop management of the various hardware vendors, programs and services
- Benefit from our contractual relationships with key hardware partners for unmatched quality, reliability and continuity of service

Features

- Same-day fulfillment
- Storage facilities and fulfillment included for bulk orders
- Simple return process with next-day shipping for replacements
- Provision of supplies and consumables
- Optional customization of end-user documentation
- Optional Advanced Exchange
